

FIRST MEETING
The first educational meeting of the Hamiltonian township teachers' association was held on Friday evening, September 28, at Forestain State school.

to president William Howard Taft. "Is there enough time and care given a moral education?" was treated in a accurate and careful manner by the Laundie. The next subject was "Should Agriculture be taught in the common schools?" H. J. Pecher gave

was further discussed by Charles W. Wilson, Hiram-Booth, Prof. J. L. Smith, Frank Wolf and Proctor Hall. Songs and recitations were rendered by the school. Miss McChesney deserves credit for having her school room decorated very nicely and also for having her pupils well trained in songs and recitations. The following
